

Donate to Fireseed Alliance!

art + culture + environment

Fireseed Alliance is a 501(c)3 not-for-profit organization, and an alliance of musicians, artists, scientists, educators, farmers, and you. We produce innovative workshops, programs and events to promote and preserve our shared artistic, cultural and environmental heritage.

Help us sustain our momentum and have the farthest reaching impact imaginable! Generous financial support sustains Fireseed Alliance's creative efforts to educate, enrich, protect,

preserve, and inspire through the arts. Specifically, your donations support our Artist-in-Residency Program, youth art education, music, sculpture and instrument building programs, environmental art workshops, and operations.

Please know that your donation will be put to good use helping us support essential art, cultural and environmental initiatives in New England.
